### Internship - Project Lead 2100

Are you eager to have impact? Do you want to use your skills to contribute to our movement for the Impact Economy that creates well-being for all? And do you want to support an ambitious, young and fast-growing organization?

We are currently looking for a Project Lead 2100 to join our Amsterdam office. In this role, you will lead and coordinate the 2100 movement ([www.eenentwintighonderd.nl](http://www.eenentwintighonderd.nl)), the movement of young leaders and current administrators for a new economy, who are committed to making social impact a top priority in the boardroom. With your strategic view and good leadership, you ensure that the movement grows, develops impactful initiatives and campaigns, and that successes are visible. You will also be responsible for organizing and facilitating various meetings and events, such as the 2100 Fall School and the Masterclasses.

Put your talent to work for an Impact Economy that is all about creating well-being for all!

### About 2100

2100 is a movement of young leaders for a new economy, the Impact Economy. We educate, support and build a movement of young leaders and current administrators to change companies and boards from within for a healthy nature and society. The goal of 2100 is to change companies, boards and supervisory boards so that company choices do not only lead to financial profit but to positive impact for people and nature.
